Ø The inventory is based on data available from Geological Survey of India, Central Mine Planning and Design Institute, Mineral Exploration Corporation Limited , Singareni Colliery Company Limited, DGM, Maharashtra & DGM, Chhattisgarh

Ø This inventory dealt with net geological resources assessed, so far, and did not take into account the mined out reserve.

Ø Total coal extracted from the coalfields of India since 1950 upto 2008-09 is around 9808.17 million tonne (source: Coal Controller's Organisation, Ministry of Coal, Govt. of India).
